PARKING INFORMATION

Busses dropping off athletes:

Any bus providing a DROP OFF of athletes must use the east entrance (pond entrance) off 21 mile road. Follow driveway to the drive north of the school. Turn left and drop athletes at the southeast entrance to the stadium. There will be someone to greet the teams and let them know where they can set up camp. We have three areas that can be used. Busses will then be directed to our bus parking area at Cheyenne Elementary School west of the track. Teams traveling by cars can use the same entrance and park in the lot at the end of this driveway.

Spectator entrance and parking:

Spectators should use the entrance west of the school at the light off 21 mile Road or the entrance off Heydenreich which is north of 21 mile road west of the school. Spectators who travel on M59 to Heydenreich then travel north to the entrance which at the light north of 21 mile road.

Spectator Parking: \$3/car

“TENT CITY-TEAM CAMP AREA”

Teams will be allowed to set up tents in the baseball stadium outfield east of the track. Teams can also set up in the area south of the baseball field, just inside the southeast entrance. There is also an area north of the long jump pit that can be used. The welcome committee will direct you to these locations. No team camps will be allowed within the stadium. Please keep your area clean.

In the event of inclement weather we will open up the high school Gym located southeast of the track. This is 20 yards south of where the teams are being dropped off. No team camps will be allowed in the main bleachers west off the track.

INFIELD REMINDERS

Infield should be used for athletes being checked in and warming up. Expect a no headphone or personal media device rule to be placed on athletes on the infield. Remind them now so that we don't have any issues. There will be a coaches' box by all field events. We are using a raised runway for the pole vault in the infield. This area will be coned off for the safety of athletes in this event. Only pole vault athletes and coaches should be in this area.

An athletic trainer will be available at the finish line tent. Water will also be available for athletes on the infield.

Team Questionnaire

For the Parade of athletes we need your help by filling out this form and returning it ASAP. Please return to Tom Zarzycki:
